## Nucleus Colony Order Form

Name: \_\_\_\_\_ Phone #: \_\_\_\_\_

Email: \_\_\_\_\_

Address: \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_\_ Zip: \_\_\_\_\_

# of Buckfast nucleus colonies (10 max order):    1    2    3    4    5    6    7    8    9    10

Our nucleus colonies are some of the most hygienic strains of honeybees, making them more varroa mite resistant than most sub-species. While producing a large honey crop every year, these gentle bees are also easy to work with. All queens are over-wintered in Wisconsin and have never traveled outside the state, making them cold tolerant to our climate.

### Pick up location (residential):

Augustine Apiary Acres  
502 East Church Street  
Orfordville, WI 53576

### Pick up time:

Nucs are made available about the second week of May (mid-May). As time gets closer, I will reach out with tentative dates for pick up, so please provide a reliable email and a phone number I can text or call.

### Pricing:

- All nucs are \$145 plus tax, with a limit of 10 nucs per customer.
- Full payment can be made by filling out this order form and mailing a check made out Augustine Apiary Acres (use pick up location address to send).
- A minimum downpayment of \$100 per colony secures your order. The remainder of the balance can be paid during pickup by cash or card only (no checks accepted at pickup).
- Credit Card payments are accepted, but with an additional 3% processing fee.

### Notes:

- All nucs come in a cardboard box, meant for transport only. Do not keep bees in the boxes provided for more than a day.
- A nuc is made up with five deep (9 5/8") frames, bees, a newly mated Buckfast queen, and various stages of brood.
